

# ANNUAL REPORT 2010

**T**ahoma Audubon continued to make a positive impact in our community during 2010 with nature education programs and events, citizen science trainings and conservation projects, and representation at policy setting and decision-making forums and meetings. We faced the same challenges of financial shortfalls as other non-profit organizations, families and businesses during a difficult economic recession.

Our dedicated staff worked with our equally committed volunteers under reduced pay and resources to continue to provide quality programming, effective community leadership, and service to our membership. With strong leadership from the Board of Directors, new talent on staff, and the rededication by our own members to fully support the mission and programs of Tahoma Audubon, we look forward to a brighter, more sustainable future of connecting all of our citizens to nature for enjoyment and stewardship of the natural beauty that surrounds us.

## 2010 EVENTS

**Annual Membership Banquet:** On February 6<sup>th</sup>, 2010, Tahoma Audubon celebrated our 41<sup>st</sup> Annual Banquet - a wonderful time was had by all. Guest speaker was Lyanda Lynn Haupt and she

spoke about her book "Crow Planet: Essential Wisdom from the Urban Wilderness." The event started with a cocktail hour, followed by dinner, auction and the program.

**2010 Great Backyard Birdcount:** People from all across the United States and Canada watched and counted birds for the Great Backyard Bird Count (GBBC) during President's Day weekend. People joined the fun and counted by themselves, in groups and at one of our several organized events! What a great way to learn about birds in our community! Thanks to all the hosts and birders who made this year a great event.

**Birdathon 2010:** We had another successful Birdathon in 2010. Birders and sponsors helped Tahoma Audubon raise approximately \$40,000 and everyone had fun doing it!

**Birds & Brunch:** In spring of 2010 Tahoma Audubon invited some top donors to come for a morning of wonderful food and celebration at Adriana Hess Wetland Park. It was a great event and nice to reconnect with friends.

**Other events and outreach booths:** In 2010 Tahoma Audubon also celebrated Earth Day with a couple events and work parties, attended several college fairs, and other outreach events such as Dog-A-Thon in July. Staff and volunteers set up and staffed the booths and spoke to the public about Tahoma Audubon and our goals.

**Puyallup Fair:** Once again in 2010, Tahoma Audubon had a booth at the Puyallup Fair. Our dedicated volunteers staff the booth and help children make special hand-made buttons, and educate the public on Tahoma Audubon, its mission and our goals.

Thanks volunteers!

**Early Bird Gets the Worm Fall Breakfast Event:** This year's event was held on October 21<sup>st</sup>, and was very well attended even at the early hour of 7:00am! Guest speaker was David Batker of Earth Economics and a special memorial tribute was given to Seattle attorney John Arum who died in a climbing accident in the summer of 2010. Thank you to everyone who attended.

**Christmas Bird Count:** This year, it was the 111th Annual Christmas Bird Count! Each year the count gets bigger by adding new circles, but existing circles keep their original sizes and positions, thus allowing comparisons over time and becoming valuable research tools. When you hear the term, "citizen science," the Audubon CBC is what started it all. Thanks to all the volunteers who help make this event possible!

## 2010 CONSERVATION SUCCESSES

### FIVE YEAR CONSERVATION GOALS

- ✓ Open Space Task Force commenced and is developing a comprehensive plan for open space conservation countywide and a 10 year acquisition plan and funding strategy.
- ✓ Important Bird Area expansion proposal, including citizen science research, compiled and submitted to NAS for consideration to expand Nisqually IBA around shorelines of Anderson Island.
- ✓ Community outreach and education in the Crescent Valley BMA was conducted in collaboration with Crescent Valley Alliance, and outreach brochures for use in all BMAs countywide was designed

### CITIZEN SCIENCE

- ✓ Began 3<sup>rd</sup> year of Puget Sound Seabird Survey collaboration with Seattle Audubon
- ✓ Began 3<sup>rd</sup> year of Project FeederWatch at Adriana Hess Audubon Center
- ✓ CBC, GBBC, and IMBD counts

### GREEN TACOMA PARTNERSHIP

- ✓ Third annual Green Tacoma Day event in September had over 460 participants and new family/children focus at TNC.

- ✓ Conducted two Habitat Stewards trainings, bringing total trained to 27.
- ✓ Conducted numerous habitat restoration trainings, educational and networking events, outreach, and volunteer work parties throughout 2010.

### PIERCE COUNTY SUSTAINABILITY COALITION

Yet another year of local campaign victories:

- ✓ Mobility Master Plan = passed
- ✓ Urban Forestry Policy = passed
- ✓ Pierce Transit Service = board voted to schedule vote in Feb. 2011

### CROSS-BASE HIGHWAY

"Stay" was granted for our pending lawsuit challenging the EIS, meaning that we retain the right to sue if funding becomes available for the project

### SEQUALITCHEW CREEK

Negotiations between environmental signatories to the 1994 Settlement Agreement and the mining company progressed, and we are working toward a new agreement and potential significant restoration project at Sequelitchew Creek and upland marsh wetland complexes.

# 2010 EDUCATION REPORT

**2010** brought another busy year for our Education Department! All year we were busy with our youth programs like Budding Scientists and Osprey Club, and during the summer our Summer Day Camps were a huge hit and were all sold out! The best time here at Adriana Hess is during the summer months when we hear the little kids running around squealing with excitement and learning about nature and its wonders.

We also had a great year with our adult classes like Birding Basics, Beginning Birding and Intermediate and Advanced Birding Classes. Our Adult Nature Photography class has been very popular as well!

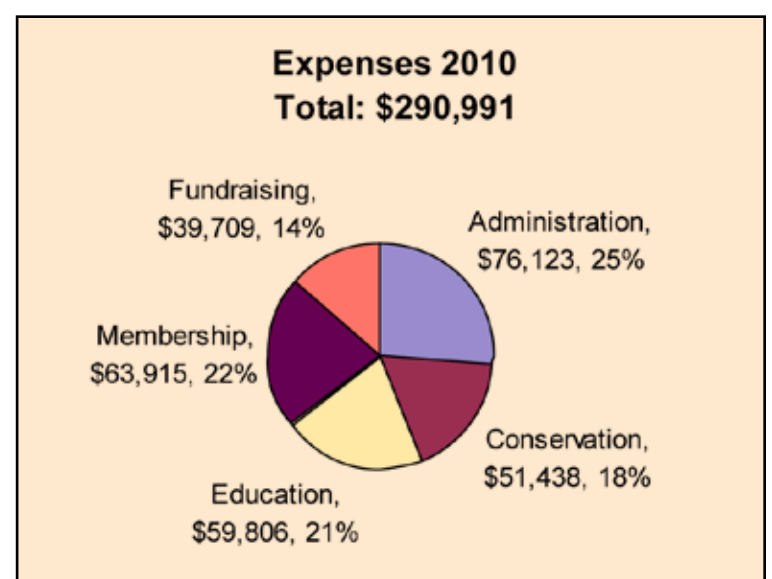

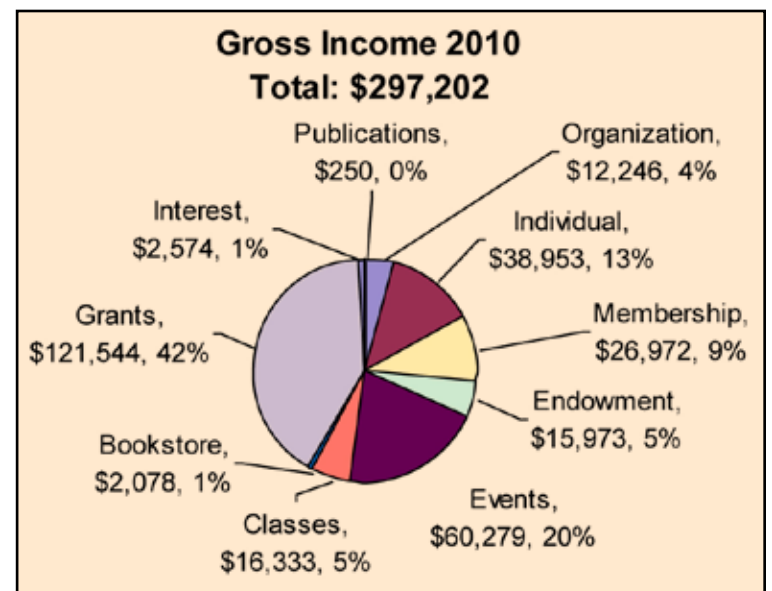

In 2010 we reached over 3,600 people young and old through our education programs. We held 229 education programs and had the help of 231 volunteers who donated 900 volunteer hours. We had 112 Osprey Club participants for a total of 760 Osprey Club hours.
